

Does your Business, Church or Non-Profit qualify for \$26,000 per employee in CARES Act Tax Refunds?

Corporate Strategies' tax accountants will determine if you qualify for up to \$26,000 per employee in tax refunds through the CARES Act Employee Retention Credit Tax Refund Program – at no cost. Whether you applied for PPP/PPP2 loans or not, you may qualify if any one or more of the following conditions pertains to you:

1. Your business' **gross receipts declined** in any quarter of **2020** more than **50%** compared to either...
 - a. the same quarter in 2019 or
 - b. the immediately preceding quarter in 2020 or 2021.

2. Your business' **gross receipts declined** in any quarter of **2021** more than **20%** compared to either...
 - a. the same quarter in 2019 or
 - b. the immediately preceding quarter in 2020 or 2021 when compared to the same quarter in 2019.

3. **Even If your revenue did not decline, you may qualify** if your business was **fully or partially shutdown** due to any governmental order and you continued to pay your employees during any part of any quarter in **2020** or **2021**.
